B6 JS Domestic (Cabin Seat Agreement) Instructions:

Click on myIDTravel Listing Website or use the link on the PET website.

Select the confirm checkbox and then click the Next button.

Once on the welcome screen click on the Commuter Travel link at the top of the screen.

On the Commuter Travel page fill in all fields appropriately then, Click Next.

If you have filled out all fields correctly you be be brought to the Flight Schedule Display page.
You will notice smiley faces beside the flights listed to indicate the flight loads. A sad red face means the flight is fairly or completely full. A yellow face means so-so. A green smiley face indicates the flight is fairly open.

Select your desired flight and click Next.

On the Shopping Basket screen verify the correct flights are selected and then click Next.

You will now be on the Fare Information screen. If this is an international flight it will give you a price for the taxes you will need to pay. You can pay this with any standard CC.

If this looks correct click Next.

You should now see the APIS/Secure Flight page. If you do not have a Known Traveler Number or a Redress Number Check the skip this section check box.

Enter your birthdate in the Date of birth field and then click Next.

Click Next on the Hazardous Materials page.

On the Contact Information page you must enter at least one phone number and your email address.
Then click *Next*.

You should now be at the Confirmation page. You may use the Booking Reference number to check in for your flight on the B6 app or on their website up to 24 hours prior to departure. You will also receive an email from myIDTravel as well as from B6.
