

Jennifer Levcun- SEA based FA

I have been with AAG since 1997 and started flying with Horizon Air in 1998. I enjoy spending time with my family and friends, traveling, hiking, boating, fishing, reading and gardening. I also enjoy my advocacy work with the Behavioral Court system in Kitsap County and NAMI. As well as facilitating classes and support groups and advocating for a better mental health system.

I have been volunteering with the union for approximately five years as MEC Fatigue Review Chair. I am very excited to be of service to our flight attendant group as part of ACT for negotiations. I still enjoy my profession and my hope is to make Horizon a positive work environment for all.

Looking forward to seeing you all!
